TEACHER'S CERTIFICATE.

I HEREBY CERTIFY, on honor, that the foregoing statements as to Chilocco Agricultural School at Chilocco Agency, truly sets forth the information under each heading, and that they are correct.

Jan 4th, 1904 C. M. Rudolph, Teacher.

AGENT'S CERTIFICATE.

The foregoing exhibit of Chilocco Agricultural School, at Chilocco Okla has been examined by me and found correct, and I so certify.

January 4th, 1904 S. M. McCowan
U. S. Indian Agent.

SPECIAL NOTE.

This is an important report, and must be promptly prepared and forwarded to the Indian office **immediately** after the close of each quarter.

INSTRUCTIONS TO TEACHERS.—The principal of each school must fill this blank in duplicate, and sign the "Teacher's Certificate" on the back of this report. During vacation or temporary suspension of a school, reports must be made stating the fact. July and August being vacation months in most of the schools, the average attendance for the month of *September* is regarded as the average attendance of the entire first quarter. The report for the quarter ending September 30 should give the number of pupils who remained at the school during the vacation period, on separate sheet No. 5-251 *b*, so that the record will agree with accounts papers in the matter of issuing rations to pupils. Of course, it must be understood that rations will be issued only to the exact number of pupils in daily attendance as shown upon this report.

INSTRUCTIONS TO AGENTS.—The Agent must examine this report, and fill up and sign the "Agent's Certificate," and forward **one** copy to the Commissioner of Indian Affairs.
