2. Sequential Listing of Significant Events as they relate to:

a. Personnel

(1) Personnel strengths increased slightly during the reporting period. At the close of the period officer strength was 60 percent and enlisted strength was 84 percent of T/O. On the average, officer strength was 51 percent and enlisted strength was 72 percent of T/O during the reporting period.

(2) During the first part of the reporting period the Battalion had and remains in serious need of officer platoon commanders. A critical shortage of enlisted personnel in the following occupational fields existed during the first part of the period: OF 02; OF 03; OF 25; OF 33; and MOS 3516. MOS's 0141, 2511 and 2433 will be critical during May unless suitable replacements are received.

(3) The following personnel joined during the reporting period:

	USMC	USN
Officers:	8	0
Enlisted:	210	8

(4) The following personnel were transferred during the reporting period:

	USMC	USN

The Chaplain was TAD for a Religious Retreat in Korea from 12 April - 23 April 1966.

b. Administration: Though continuing at a satisfactory level, has had to overcome several obstacles during reporting period. Among the problem areas which hamper administrative functions, often to a critical degree, are the following:

(1) Information concerning orders transferring evacuees continue to be tardily reported to this command.

(2) Critical shortages of blank forms, consumable supplies, and office equipment.

(3) A critical shortage of 11 typewriters.

(4) Movement of the Battalion to a temporary location.
