Subj: Command Chronology for the month of June

1. In the beginning of the month of June, VC activity picked up sharply in Hoa Da Village. Twice in the first week of the month, the CAP unit was hit with small arms fire, RPG's, and Frag Grenades. It looked like it was going to be a hard month. However, in the weeks that followed little to no activity was reported. Several meetings were held with the Village Chairman and the RD Cadre for the discussion of various new projects. However, with the commencement of Phase 4, Civil Affairs is reluctant to become involved with any new projects until its future status is made known.

2. The Village held annual elections this month. Mr. Nhu was elected to the post of Village Chief. This came as a great surprise as it was this man who was ousted by the people a little more than 1 year ago. Mr. Nhu apparently had been very casual about helping himself to the Village funds. Once the people were made aware of this graft, they voted Mr. Nhu out and elected a new village chief. It seems the people of Hoa Da have a very short memory.

3. The MAG-11 chicken projects have been doing exceptionally well. Since the beginning of the project on 13 May, only 6 chickens have died. This record's by far better than any ever set in the I Corps area. The farmers working on the projects are becoming more and more involved as they see the project heading toward success. Other individuals are now becoming interested in raising chickens also. On 6 June a meeting with the RD Cadre from Tung Lam was held. The meeting concerned the initiation of three new chicken projects in Tung Lam. Civil Affairs explained that if the proper arrangements could be made Civil Affairs would be glad to provide assistance in the projects. This interest is most definitely the result of the two projects in Lo Grang. At present, Civil Affairs is stalling before it acts on these requests until its future status becomes known.

4. Med CAP were held 4 times this month. About 500 patients were treated. The Med CAP held in the past at Lo Grang Hamlet was moved to a new site in Tung Lam Hamlet. This was coordinated with the Village Chairman and the RD Cadre. The new site was definitely an improvement over the old site in Lo Grang. About 120 patients were treated there vice the 25 to 30 at Lo Grang.

5. Personal Response tours were held twice this month for 83 incoming marines.
