PARACHUTE RESUPPLY
(101ST AIRBORNE DIVISION)
Newbury, Berks, England
6 Jan 44

- Minimum

ELS, C-47s drop special containers by parachute.

LS, parachutes with supplies descend. Jeeps rush fwd to collect supplies. Soldier rolls up parachute; two men pick up the supplies and chute, load them into trailer; jeep moves around field collecting the containers. Jeep returns to wooded area where the supplies are unloaded and stacked. Several men open the supplies and separate the ammo and rations.

VS, soldiers load aerial containers into trucks; trucks drive off twd the C-47s.

VS, British and Polish officers check the chutes and containers before loading into plane.

NOTE: This story is badly underexposed.
