SUBJECT: Realignment of Eastern Region

No.: 83-BUL-19

Date: February 23, 1983

To: All Employees

From: Kay McMurray,
Director

Effective immediately the Trenton Field Office will be reassigned from District 2 (New York) to District 3 (Philadelphia). In addition to this reassignment of management responsibility, there will be a minor realignment of the East Orange and Trenton Field Office boundaries.

East Orange Field Office will include the New Jersey counties: Sussex, Passaic, Bergen, Hudson, Morris, Essex, Somerset, Union, and Middlesex.

Trenton Field Office will include the New Jersey counties: Warren, Hunterdon, Mercer, Monmouth, Ocean, Burlington, Atlantic, and the Pennsylvania county of Buck.

I have also found it necessary to make minor boundary adjustments to the Portland, ME Field Office. The field office will assume responsibility for the New Hampshire counties of Belknap, Rockingham and Strafford (previously assigned to the Boston Field Office), and the Vermont counties of Franklin, Grand Isle, Lamoille, Orange, Washington and Windsor (previously assigned to the Albany Field Office).
