PROSECUTION EXHIBIT 1232  
THE NAZI PLAN

Signing of the European Axis Pact, May 22, 1939. The Italian delegate is met at the station. Italian flags are flown. Handshaking, parades, soldiers lined up, officials riding in cars, etc. Interior hall. Hitler enters, followed by Goering and Italian delegates. They sit. MCUs signing the pact. Handshaking follows. Nazi official speaks. Pan of notables listening, Goering in MCU.

Welcome home of German legion from Spanish War, June 6, 1939. Hitler takes place in stand. Marchers are photographed from many angles. Spectators are shown as well as Hitler reviewing Navy men and others. Inspection of West Wall fortifications, August 1939. First a map of Germany is seen with the fortifications marked. Then there is an animated chart, headed "Der Fuhrer, Organization Todt", which shows the different industries and organizations serving the state. Hitler arrives at the West front and inspects the wall. He climbs down steps and walks into an entrance to tunnel, then studies a map. Soldiers march into the fortifications. There are views of the interior tunnels.
