PART II

NARRATIVE SUMMARY

1. During January 1967, Headquarters Battalion had elements in Phu Bai, Da Nang, Dong Ha, and Khe Sanh. The composition of these elements did not change significantly from those that existed the month before. The Photographic Section and the Reproduction Section, however, were moved from the Da Nang area to the Phu Bai area during the week of 23-30 January.
2. The month of January, however, was marked by the planning phases of the activation of Sub Unit #5. This Sub Unit is to be activated on 1 February 1967. This unit, to be composed of six officers, 128 marine enlisted, and three Navy enlisted, will be organized to support the Senior Officer Present, 3d Marine Division/III Marine Amphibious Force Representative, Khe Sanh. It will be composed of headquarters and service elements, a Security Platoon, and three Combined Action Platoons.
3. Combat missions for the month of January remained identical to those during the month of December. Combined Action Companies "A" and "H" remained under the operational control of the 2d Battalion, 9th Marines. A platoon of Headquarters Battalion, also under the operational control of the 2d Battalion, 9th Marines, manned a portion of the Phu Bai Vital Area defense perimeter.
4. No major operations were conducted during the month of January. The Combined Action Units, however, conducted 282 daylight patrols and 292 night patrols/ambushes. The Combined Action Units made nine contacts.
5. Combined Action Units killed seven Viet Cong confirmed.
6. During the early morning hours of 20 January 1967, Headquarters Battalion elements received approximately 20 rounds of enemy incoming mortar fire. Thirteen members of the Battalion were wounded in this action.
7. Training for the Combined Action Program continued with 69 personnel trained during the month of January. Primarily, the graduates of these training programs are to be assigned to the Combined Action Platoons to be activated in the Khe Sanh area although a small number were assigned as replacements in the existent Combined Action Platoons.
8. During the month of January, Headquarters Battalion's MEDCAP treated 4125 Vietnamese in the Huong Tuy and the Phu Loc Districts. Third Dental Company's Dental Civilian Affairs Program treated 3324 patients throughout the 3d Marine Division's areas of responsibility. At the end of January, Headquarters Battalion was employing 31 local national civilians.
