PART IINARRATIVE SUMMARYS.2 INTELLIGENCE

1. During the month of September, three (3) confirmed VC were captured and turned over to Danang Special Sector for intensive interrogation. In addition, one hundred twenty five (125) individuals were apprehended by battalion operations and patrols. Of these, five (5) were classified as confirmed VC and one hundred four (104) reclassified as civil defendants or innocent civilians. Civil defendants fell into the categories of draft dodgers, illegal residents or were in possession of illegal or invalid I.D. cards. The remaining sixteen (16) have yet to be classified. All persons apprehended were turned over to Danang Special Sector or Hoa Vang Sub-Sector for interrogation and appropriate civil action. The following arms/equipment were discovered by combined search/sweep/probing operations within the Battalion TAOR.

Enclosure (1)

- [REDACTED]
- a. (1) 60mm mortar round
  - b. (3) Chi-Com Grenades
  - c. (1) Entrenching Tool
  - d. (1) VC Uniform
  - e. (2) AK-47 Assault Rifles

2. The following areas were mentioned as enemy objectives within the Danang Vital Area during this reporting period.

- a. Danang Air Base still remains high on the enemy objective list due to the availability of tactical air support and vulnerability to rocket attack.
- b. Marble Mountain Air Base continues to be a high priority target for the enemy due to its capability to helolift troops and supplies, as well as being vulnerable to mortar attack.
- c. I Corps Bridge has been mentioned in numerous reports due to its logistical importance to the ICTZ.
- d. Other targets listed were the Cam Le Bridge, Hoa Vang Sub-Sector and I Corps Headquarters.

### S-3 OPERATIONS/TRAINING

1. During the reporting period this command participated in numerous small unit operations, but sustained no major contact. Noteworthy in this month's operations were the combined company sized operations which were conducted in East Danang in cooperation with Danang Special Sector and Third District Headquarters.
2. The battalion conducted 140 day and night fire team size patrols; 28 day and night squad size patrols; 296 fire team size night ambushes; 505 squad size night ambushes and 30 platoon size operations for a total of 999 small unit activities during this reporting period.
3. In addition to the small unit activities, the battalion also conducted 15 company or multi-company size operations.
4. Battalion Officers and SNCO's attended classes in the following subjects: Battalion Supply Procedures; Concept of Operations in East Danang; Information lecture on ARVN, RF, and PF Forces. Several hours of discussion have been devoted to the progress and future plans of the 1st MP Battalion.

5. Battalion GMS training was conducted in accordance with current directives to include Technical Training by MOS and NCO Leadership training. Some training was cancelled due to operational commitments.

6. A troop orientation class for 100 newly joined personnel was conducted on 16 September 1968.

7. Eight (8) enemy rocket attacks were conducted against us during this reporting period.

### 3.4 LOGISTICS

#### 1. Significant Events

a. Company "G" completed the move into their new combat area on 10 September 1968.

b. Heavy rains this month resulted in considerable damage to thirty-two (32) bunkers and broken power lines.

c. The electric power was off in the battalion containment area from 140930 September 1968 until a 60 KW generator was connected to the main power switch on 152200 September 1968. Normal electric power was restored on 161500 September 1968.

#### 2. Motor Transport

a. The battalion received six (6) trucks utility M-151 as replacement for the trucks utility M-38A1.

b. The battalion received eleven (11) trucks cargo M-35A20 as replacement for truck cargo M-35.

#### 3. Percentage of Combat Essential Equipment on Hand

a. Supply	95%
b. Motor Transport	99%
c. Communications	86%

### 3.5 CIVIL AFFAIRS

#### 1. General

a. One-hundred and seventy (170) piasters were paid to a boy from My Thi hamlet (BT052794) for finding and turning in two (2) M-79 rounds. Also one-hundred and seventy (170) piasters were paid to another young boy from the same hamlet for finding and turning in two-hundred and fifty (250) rounds of M-16 ammunition.

b. One-hundred (100) bags of cement, five (5) truck loads of lumber, and one (1) load of dirt was delivered to the Siccovina Textile Factory (BT011728) during this reporting period for the construction of a meeting hall that is now nearing completion.

c. During this reporting period, three (3) truck loads of lumber, and eight (8) bags of cement were delivered to the Hoa Tho Village (BT010723) Headquarters Chief for the construction of homes that were destroyed during the last enemy offensive.

d. During this period, a reported twenty-four (24) hours was spent on census taking.

## 2. EDUCATION

a. Twenty-eight (28) hours of English instruction were given to students at the Siccovina Textile Factory (BT011728).

b. Twelve (12) hours of English instruction were given to seven (7) adults at Xaun Hoa High School (AT992778).

c. Hoa Vang High School began their school year during this period.

d. Educational and Psychological Operations films were presented to an attendance of approximately eight-hundred (800) people at the Siccovina Textile Factory (BT011728), and at Khue Trung (4) village (BT035737) where three-hundred (300) people were in attendance.

## 3. PUBLIC HEALTH

a. MEDCAP's treated 1,009 patients within the 1st Marine Air Wing's Civic Action TACR this month.

b. MEDCAP's treated 635 patients within the Naval Support Activity's Civic Action TACR this month.

c. Soap was distributed during all MEDCAP's.

d. Dental MEDCAP's distributed 200 bars of soap, 155 toothbrushes, and 110 tubes of toothpaste during the month.

e. Transportation is continuing to be provided to and from the Force Logistic Command Children's Hospital for parents of patients referred there by this office.

**5. CIVIC ACTION TRAINING**

a. The Civil Affairs Officer gave Personal Response instruction in the Battalion Orientation Classes which are held for all newly arrived personnel.

b. A total of four hours of Personal Response instruction was given to 187 members of the battalion.

**6. PSYCHOLOGICAL OPERATIONS.** During the month the battalion civic action program effected the following distribution within the TAOR:

a. 3,000 Free South Newspapers.

b. 5,000 information leaflets.

c. 1,000 Safe Conduct Passes.

d. 850 Chieu Hoi Leaflets.

**MEDICAL AND DENTAL**

**1. Battalion Aid Station Chronological Data**

a. Significant Events: The Commanding Officer held a personnel inspection on 23 September 1968 and a material inspection on 24 September 1968. BAS section rated satisfactory in all respects. A total of 1,472 Vietnamese were treated through the Battalion MEDCAP program, exclusive of operations in Delta Companies AOR. A large number of Flu shots were given this month. PMU from FLC held sanitation inspections during the month.

b. New Developments: None

c. Problems Encountered: Lack of ventilation and lighting fixtures in the BAS bunker.

**2. Military Patient Statistical Data:**

a. Average daily number of patients seen: 21

b. Average daily number of patients referred to other treating facilities for consultations, dental, X-rays, and laboratory work: 3

c. Routine Medical Complaints: Gastroenteritis, Diarrhea

d. Significant disease peculiar to the area: None observed

e. Number of emergency treatments: Combat injury: 0; Innoculations: 8;  
Burns: 3; Trauma: 1

f. Innoculations and Prophylactic Medications: Innoculations: 335;  
Malaria Prophylaxis: 3,000 tabs

g. Patients admitted to BAS Ward: 0
