PART II1. Narrative Summary.

During this reporting period the Battalion Command Group co-ordinated the timely assignment of Helicopter Support Teams (HST's), and other various Engineer and Logistic support elements which were provided to Task Force X-Ray organizations. This organization provided HST's on operations Desoto, Desoto/Deckhouse VI, Tippy Canoe, and once each in Helicopter unloading support of Landing Ship Tanks 1165 and 1170. Also, the Battalion designed and fabricated slings to lift 155mm Howitzers (Towed) by the CH-53 Helicopter. These lifts were performed in an orderly and expeditious manner. The Battalion furnished a detail of one (1) Officer and thirteen (13) Enlisted to form an element of a Provisional Rifle Company for Chu-Lai Defense Command. One (1) squad (Rein) was employed on mine sweep operations at OP's 32 & 39. Work continues on the Long Binh Road (Civic Action) project when operational commitments and weather permit. The Med-Cap treated approximately five hundred-and fifty (550) Vietnamese during this reporting period. Company "A" remains OPCON to 3rd Mar Div as noted in enclosure (2) of this report. Two Shore Party Marines were wounded while participating in operation Desoto during this reporting period. Minor Engineering and Construction projects were continued which were assigned by Task Force Engineer.
