Enclosure (1)

8. Administration. The Administrative Officer confers daily with all supervisory personnel to keep abreast of their problems and disseminates new policies and information.

9. Training. Due to the combat nature of duty in Vietnam, professional training for officer and dental technicians is handled primarily through the medium of correspondence courses. There is a very active enrollment of both officer and enlisted personnel in Navy Correspondence courses and USAFI. Professional material is maintained by the Company Office and is made available to personnel upon request. Guidance is provided whenever and wherever necessary or requested.

10. Command and control. The Commanding Officer maintains supervision and control by periodic visits and telephone calls to clinic directors and supervisors of support sections. The Commanding Officer and Administrative Officer confer daily concerning current and planned company operations.

#### PART IV

#### CHRONOLOGY OF SUBORDINATE COMMANDS

#### AND SUPPORTING DOCUMENTS

1. None.
