(c) The fact that the anticipated relocation did not occur has significantly impaired the performance of this unit, as set forth in the succeeding paragraphs.

(2) Administration.

- (a) This unit's official designation remains as "Sub Unit #1, 1st Force Reconnaissance Company", vice the designation "1st Force Reconnaissance Company (Forward)", as previously reported.
- (b) This Sub Unit represents 45 per cent of the Company's T/O strength. Additionally the Commanding Officer of the Company is assigned to the Sub Unit for duty.
- (c) Based on the foregoing, action is being taken to effect the Sub Unit's redesignation to "1st Force Reconnaissance Company (Forward)".
- (d) The present administrative situation that exists cannot support the requirements of this unit, for the following reasons.
- 1/ 53 per cent of the Headquarters personnel are located on Okinawa with 1st Force Reconnaissance Company (-).
 - 2/ The directives, publications, records, office supplies, and equipment necessary to administer this unit are located on Okinawa with 1st Force Reconnaissance Company (-).

(4) Logistics.

- (a) Due to the absence of the necessary support and service personnel and maintenance equipment, located on Okinawa with 1st Force Reconnaissance Company (-), this Sub Unit is unable to sustain its equipment to support operational commitments organically.
- 1/ Sixty-seven (67) per cent of the support and service personnel are located on Okinawa.
 - 2/ All maintenance equipment is located on Okinawa.
- (b) This Sub Unit's vehicular support is limited to one (1) M-37 Personnel Carrier and two (2) M-38A1 jeeps, each of which is presently deadlined for repairs.
