2. Sequential listing of significant events.

a. Personnel. During the month 64 men went on R&R, four men were medically evacuated for non-battle reasons, one man was granted Humanitarian Leave to CONUS, six men went on emergency leave, five men were awarded Article 15 punishment, 47 men were transferred and 57 men were joined as replacements.

b. Administration. All Companies were on Company Administration during this period. Service Record audits are completed, except for the 2nd Platoon, Company "C", 1st AT Battalion which returned from QUI NHON. One Company started the new addressograph PAS system and all Companies are expected to start next month.

c. Intelligence. Information is gained directly from Division Intelligence Section (Attn: Assistant Chief of Staff, G-2) concerning antimechanized capabilities of enemy forces, i.e. mines, AT weapons, road and bridge conditions. Local TAOR Intelligence is obtained from the 9th Marine Regiment (S-2). Intelligence items published by INTELLIGENCE SUMMARY peculiar to the AT Battalion are further disseminated to the Ontos Companies located in the Danang TAOR. The organic intelligence section of the Battalion Headquarters is capable of limited intelligence processing.

d. Training. During the reporting period numerous classes were conducted throughout the Battalion by H&S Company and the seperate gun Companies. Five men from H&S Company attended the 2nd Battalion, 9th Marines school on the Seismic Intrusion Device (See SITREP #134 & #135) and these men conducted school for H&S Company personnel. Three men attended 1st AmTrac Battalion generater school (See SITREP #134). Additional men were schooled on the Claymore mine. The majority of training conducted by all Companies was "on the job training" and was principally devoted to: Preventive Maintenance, Driver's Training, Communications Procedures, 106mm Recoilless Rifles and .50 Caliber Spotting Rifles with M-60 and M-14 fam firing. Special classes were given on Interior Guard, "Why we are in Vietnam", Viet Cong Tactics, Field Sanitation, Mine Warfare and Range Cards. Personnel, Small Arms and vehicle inspections were also held. A FIREX with (14) ONTOS vehicles was conducted and 326 rounds of HEP-T (106mm), 12 rounds of HEAT (106mm) and 699 rounds of .50 Cal. spotter tracer rounds were expended. A FIREX was also conducted at the HDA CAM Training Center (AT975727) primarily devoted to training in indirect fire and field registration.

e. Operations. On 1 November the battalion was deployed as follows:

(1) 3d Antitank Battalion (-) (Rein) is in general support of the 3d Marine Division.

(2) DaNang Enclave

(a) H&S Company (-) During the reporting period the camp cantonment project was virtually completed. An Enlisted Club and an Officer/Staff NCO Club were constructed. An operational briefing and Civic Action tour of YEN BAC (AT985708) was conducted for Congressman CORMAN of California and Judge PREGERSON (See SITREP #126). The Maintenance Section received and repaired seven ONTOS vehicles M50A1's. Brigadier General PLATT and party visited the Battalion C.P. During the General's briefing, two incoming sniper rounds were received. The Company reaction squad and perimeter security squad conducted a search and clear operation near YEN BAC (AT9857708) (See SITREP #119). Suspected VC signs found on this operation resulted in a second patrol (See SITREP #121). A joint action patrol with 3d Tank Battalion on 10Nov65 resulted in the capture of two VCS (See SITREP #122).

UNCLASSIFIED

A platoon sized patrol in connection with S&C/Civic Action resulted in the capture of six VCS (See SITREP #140).

(b) Company "A" (-) (Rein) Supported the 3d Marine Regiment during the month of November. The 1st Platoon of "A" Company expended 52 rounds of HEP-T 106mm providing H&I fires into Grid Square (AT9264). The 3d Platoon "A" Company attached to the 3d Battalion, 4th Marines expended 72 rounds of HEP-T 106mm providing H&I fires into Grid Square (YD7907). The 2nd Platoon of "A" Company fired six major caliber rounds at targets of oppertunity in support of "A" Company, 2nd Battalion, 3d Marines. The 2nd Platoon attached to BLT 2/3 060001H November 1965. The 1st Platoon Company "A", 1st Antitank Battalion arrived with BLT 1/3 at 181830H November 1965 and came under operational control of "A" Company. The ONTOS were used extensively as night perimeter security/mobile reaction forces. (See SITREP 117, 126, 133 with attached weekly summaries and enclosure (3)).

(c) Company "C" (Rein) Participated with eight section andone platoon operation while in direct support of the 9th Marines. One section of the 2nd Platoon in support of Company "K" in a S&C operation used six major caliber rounds to destroy a VC machine gun position (AT993640), while a section of the same platoon participated in a sweep in support of Company "I". One section of the 1st Platoon participated in a sweep of THANH QUIT (5) (BT047634) with Company "I" 9th Marines. Company "B", 9th Marines was supported by a section from the 2nd Platoon on a search and clear of CAU HA(2)(BT064664). HA QUANE(2)(BT133626) and HA MY TAY(1)(BT122618) were swept by the 2nd Platoon supporting Companies "A", "B" and "C". 3d Platoon light section swept VIEM TAY (3) (BT032637). On 19Nov65 the 3d Platoon Company "B", 3d Antitank Battalion who arrived with the 3d Battalion 3d Marines, came under Company "C" operational control. A light section later participated in a second sweep of THANH QUIT (5) (BT047634) while another light section provided the blocking force for a Company "I" sweep along Rt #1 to VIEM TAY (3) (BT032637). The section located at the 3d Battalion, 9th Marines C.P. destroyed by 106mm fire a cement bunker from which sniper fire had been received. The gun platoons were used extensively as day and night perimeter security/mobile reaction forces. (See SITREP #117, #126 and #133 with attached weekly summaries and Encl. #3).

(3) Chu Lai Enclave

(a) Company "B" (-) (Rein) Remained attached to the 4th Marines during the month of November. The 2nd Platoon was employed as artillery escort and security in support of an operation conducted by the 2nd Battalion 4th Marines from 29 October 1965 through 4 November 1965. During Operation "Blue Marlin" the 3d Platoon operated in direct support of the 3d Battalion, 3d Marines for the period of 12Nov65 to 18Nov65. On 19Nov65 the 3d Platoon, Company "B" was placed under OPCON of Company "C", 3d Antitank Battalion in the DaNang TAOR and is now operating in support of the 3d Battalion, 3d Marines. The 2nd Platoon provided convoy escort service to the 2nd Battalion, 4th Marines. The ONTOS vehicles were used extensively as a night perimeter/mobile reaction force. No major caliber rounds were expended due to operations. (See SITREP #119, #126, #133 and Enclosure #3 for details).

(b) Company "C" 1st Antitank Bn. (-) (Rein) Attached to the 7th Marines. The 1st and 3d Platoons participated in Operation "Black Ferrett" from 290001H Oct65 to 042400H Nov65 during which the Company sustained one WIA. During the period 050001H/112400H Nov65 the 1st Platoon attached to the 1st Battalion, 7th Marines participated in operation "Blue Marlin" with one heavy section escorting a 30 vehicle convoy from BT560048 to BT296235. The 2nd Platoon is again providing a heavy section as convoy escort in twice daily runs in support of the Air Field defense. Additional convoy protection was provided by the 2nd Platoon to reconnaissance personnel and as an ammunition resupply effort. The 3d Platoon escorted a platoon of infantry from 3d Battalion, 7th Marines in a search and clear of TRI BINH (1) (BT567985). The ONTOS vehicles were used extensively as a night perimeter security/mobile reaction force. No major caliber rounds were expended due to operations. For details see SITREP #119, #126, and #133 with attached weekly summaries and enclosure (3).

(4) Hue Phu Bai Enclave

(a) 3d Platoon, Company "A". During the month of November, the platoon was attached to the 3d Battalion, 4th Marines. Their primary role was that of bolstering the Battalion's Defensive position by manning the MLR during the hours of darkness. For details see "3d Platoon" in Company "A" weekly operations summaries.

f. COMMUNICATIONS AND ELECTRONICS

During the month of November, the Communications Platoon in addition to maintaining the regular duties of providing continuous communications within the Command Post and to higher headquarters, has been actively engaged in changing the location of the telephone switching central, and the radio central, to afford a more secure location against enemy attack.

On 16 November and 29 November inspection tours were made to subordinate units of this command in CHU LAI and HUE PHU BAI regarding combat readiness of communications equipment and/or supply and maintenance problems. The Communications Maintenance Section is establishing improved methods of handling the various equipments that require repair to provide a more efficient maintenance program.

The communications Section is in the process of rewiring the Command Post's telephone network, to include some of the trunk lines to other units. Approximately 60% of the Command Post has been rewired with new electrical cable to provide better lighting and power. On 7 November 1965, MSgt J. S. KRAJEWSKI relieved MGySgt R. J. DUNN as Communications Officer of the Battalion.

g. LOGISTICS

During the month of November the following significant events took place in the Logistic Support Field. The Ordnance/ Maintenance Section deadlined five ONTOS of which three remain on deadline at the end of this reporting period. A classified modification was completed on all ONTOS vehicles in Vietnam during November. Test firing and driver training was conducted for the weapons repair section. On 1 November, a conference was held with FMFPAC Technical Assistance Team to discuss a replacement and evacuation program for the ONTOS. A recommendation has been submitted to higher Headquarters. On 2 November, a Mount-Out ONTOS vehicle was shipped, via LST to CHU LAI to replace an ONTOS that had hit a mine on 29 October. This ONTOS vehicle was coded "X". A second ONTOS vehicle hit a mine on 16 November. The ONTOS was sent to FLSG but a condition code has not yet been assigned. An Unsatisfactory Equipment Report was submitted to CMC on the Travel Lock Assembly. During the month the Maintenance Section repaired and returned seven ONTOS vehicles to service.

The Motor Transport Section turned in to FLSG, two M422's that had been coded "X". A total of 7,415 miles were put on the wheeled vehicles in 644 trips. During the month 43 work orders were opened; of these 19 were completed. At the end of this reporting period three wheeled vehicles were on a deadlined status.

The Supply Section submitted 550 priority 17 and 12's; 18 priority Ø5 and one priority Ø2. Pending requisitions completed during the month totaled 224 of which 28 were priority Ø5 and six priority Ø2. Major items received during the month were a MRC-36 radio, on the R&E program. A M422A1 was received to replace a M422. Eight Seismic Intrusion Detectors were received during the month under a Division special allowance. The 50 Line item Criti-Pac from MCSC Barstow arrived furnishing the Maintenance Section enough stock to resume quarterly PM's on the ONTOS vehicles.

h. CIVIC ACTIONS

The Battalion MEDCAP Team treated a total of 1274 Vietnamese patients during November. The team dispensed a total of 2001 treatments; of this number 39 were dentally treated. Providing the dental assistance were Lt.'s J.C. LUFKIN and WIERSMA of the Dental Corps. Over half of the treatments fell into the "Upper Respiratory Infection" and "Disease of the Skin" category. Four children from the village of YEN BAC (AT985708) were evacuated from the village for minor surgery to the Battalion Aid Station and returned to the village after treatment. One male adult farmer from the village was treated at the Battalion Aid Station for a gun shot wound in the head.

During the week of 1-6 November the Battalion visited the village of YEN BAC (AT985708) twice along with medical assistance, the villagers were given a new soccer ball. The Battalion Maintenance Section received and repaired two hand tools for the villagers.

During the week of 7-13 November the village of CAM HOA (2) (AT976701) was visited. Sick call was held and 84 patients received a total of 199 treatments. After sick call supplies from "Operation Handclasp" were distributed. One large box of candy, 20 pounds of clothing, six boxes of buttons and 100 hotel size bars of soap were distributed. The village of YEN BAC (AT985708) was visited five times. Scrap lumber in excess of 200 pounds was contributed to the villagers. During one MEDCAP visit instructions on Dental Hygiene were given by Lt. J.C. LUFKIN (DC) U.S.N., and the doctor passed out a number of toothbrushes. During the week the villagers also received two boxes of toys, 35 pounds of clothing and six pounds of candy. The Maintenance Section repaired 13 hand tools during the week. While the MEDCAP Team held sick call Capt V.A. VERNAY (Civic Action Officer) was taken on a tour of the class rooms by Mr. TRAN DUOC, Head Master of the school, to determine the need for school supplies.

During the week of 14-20 November the village of YEN BAC (AT985708) was visited four times. The An-Hai Elementary School (BT048769) was visited three times. During the visits to YEN BAC, 75 pounds of scrap lumber were distributed. Posters written in Vietnamese were posted in the sick bay area. They illustrated various steps in hygiene and simple sanitation practices.

Repairs to two swings (built and contributed by the Battalion) at the AN-HAI School were made. Salt was given to the faculty and 104 bars of soap were distributed during the week to the students.

During the week of 21-27 November the village of YEN BAC (AT985708) was visited five times. AN-HAI School (BT048769) was visited twice. On one occasion 24 bars of soap were given to the villagers of YEN BAC (AT985708). On another trip one case of used soap bars were given to them for use in washing clothing. The AN-HAI School children received 200 bars of soap, two pounds of chewing gum and a case of vitamins during the two visits.

During the week of 28-30 November the village of YEN BAC (1) (AT985701) was visited, 20 pounds of clothing, 100 bars of hotel soap and six pounds of gum were given to the villagers. YEN BAC (AT985708) was also visited and soap, candy and gum were distributed to the villagers. Sick call was held at the AN-HAI Elementary school (BT048769) during the week.

The Attitude of the contacted Vietnamese Adults has been friendly, congenial and grateful for the assistance rendered. The children were happy and looked forward to our visits. The school children have a "School Patrol" to help our Corpsman run an orderly sick call. The villagers of YEN BAC (AT985708) have built a sick call hut for our visits.

The Month came to a close with plans made for a special "Children's Day" at the AN-HAI School (BT048769). Said day to be a day of presentation of school kits (Provided by CARE) and candy. Band music and other festivities are also planned. Plans for a small school in the village of YEN BAC (AT985708) are being considered.

D. A perimeter patrol was dispatched on our eastern flank. The patrol formed into a column abreast extended out from the perimeter 100 to 250 meters. Five directional signs or indicators were found. The first indicator was an arrow head and shaft made of 2 to 4 inch rocks. The arrow was directed at the CP tents of 3rd Platoons. The second sign was composed of 5 to 7 inch rock using once again the arrowhead and shaft configuration. This sign was pointed at the center of 1st AMTrac maintenance tents. The third sign was constructed of rocks 5 to 7 inches in diameter also constructed in the form of an arrowhead and shaft. This sign was pointed into 1st AMTrac mess tents. The fifth sign was constructed of flat oblong rocks approximately 14 inches long forming an arrowhead and shaft. This sign was pointed at 3rd Tank Platoon Butler building. The fifth sign was constructed of 3 holes in the triangular position indicated. The larger 16" hole was 3 inches deep and the smaller 4 inch holes were 2 inches deep. A tin can was placed between the two smaller holes. It was laying on its side and holes had been punched in the can forming a [illegible] as indicated below. The first 4 directional indicators were on the reverse slope of the knolls surrounding our perimeter. They could not be seen from our CP, however a man standing at the positions could see over the crest into our CP. The last arrowhead constructed of large rocks was located in a clearing with view of our position and was located in the center of the village of Phong Le Nae.

B. - 210800
C. - 9870 - 9871 (See below)
D. Perimeter patrol reported the following information:

981708 - Young men (3) noticed in village that have not been observed in three similar patrols.

985708 - Large bamboo pole (4' high - 4" diameter) with the top cut into a "V", where a rifle could be placed, and aimed directly at 3d Tank Bn butler building. The bamboo pole was found in a grove where all bamboo poles were of equal length. This particular pole was cut down and grooved at the top to form the "V" shape.

981710 - Many bamboo and rock directional markers shaped as arrows and crossed scissors were found in this area. All were pointing at the various Battalions that make up the truck vehicle complex, (3d Tanks, 3d AntiTanks 1st Amtrac).

** The following marker (Bamboo) was found 100 yards Southwest of our perimeter and aimed at one of our outpost.

1. OPERATIONS.

a. Company "A" continues in direct support of 3d Marines with two platoons in direct support of [redacted] infantry battalions and one platoon attached to an infantry battalion. Highlights of the period's activities were the strongbacking of tents in one platoon area, preparation for embarkation of one platoon and bunker improvement of the Headquarters section.

b. Company Headquarters. Continues to provide technical, administrative and logistic support to platoons. Within this period both machine gun bunkers were covered and reinforced with sandbags. Several drills were conducted to ensure all personnel knew their defensive position and fields of fire. Trip flares are installed daily at dusk and retrieved at dawn. One Seismic Intrusion Detector is employed nightly.

First Platoon. Continues in direct support of 1/1 with one ONTOS deployed on Hill 22 (953667) in support of "A" Company and one ONTOS deployed on Hill 41 (934665) in support of I 3/4. Two ONTOS are assigned positions nightly in the battalion CP for security. On 24 November two bridges leading to hills 41 and 22 were burned by V.C. isolating the forward area. Bridges were repaired for 5 ton traffic on 25 November. With the realigment of 1/1 TAOR due to arrival of 3/3 tentative plans call for a withdrawal of the ONTOS from Hills 41 and 22 and reassigning two ONTOS in support of B 1/1. Locations of units are not firm at present.

1. Operations.

a. During the reporting period the company as a whole was not involved in any significant operations. The 3rdPlt attached to 3/3 continued their participation in OPERATION BLUE MARLIN which terminated in the DaNang TAOR. The remainder of the company continued to man defensive positions on the MLR in direct support of the Battalions and along the regimental CP perimeter.

b. Headquarters Platoon. The Headquarters platoon continued in their support of the company conducting necessary maintenance work on the company's vehicles, processing and maintaining supply requirements and initiated the unit diaries in the embossing machine process. The company's communications equipment was inspected by the communications chief and an allotment of 15 M-72 LAAWS were received during the period.

1stPlt. The 1stPlt continued in direct support of1/4 and manned defensive positions along the MLR in the 1/4 TAOR. The platoon boresighted all of thier 106s in preparation for a FIREX, which was scheduled for 22Nov. However, the FIREX was cancelled due to weather conditions and will be rescheduled.

2ndPlt. The 2ndPlt continued in direct support of 2/4 and manned defensive positions along the MLR in the 2/4 TAOR. The platoon occupies defensive positions vicinity BT509061 and BT520069 with the plt headquarters located within the 2/4 command post at BT533080. The plt's heavy section participated as convoy escort and security for "H" and "F" company's in a 17 truck convoy movement from BT511052 to BT430109 in connection with a search and clear operation on 260830Nov. After disembarkation of the troops the entire convoy returned with the heavy section moving to BT485073 to join one platoon of "G" 2/4. They were to standby on call as a blocking force for the sweeping operation. The blocking force was not utilized and the section again escorted the 17 truck convoy to BT430109 to pick up the two rifle companies. The operation secured at approximately 1800 and the platoon returned to their night defensive positions at 1900. At 1200 27 November the light section escorted a truck convoy from Recon Group Alpha from BT 512052 to BT450033. The recon plt disembarked and the convoy returned to defensive positions at 1330.

Subj: Command Chronology - November

1. During The month requisitions submitted were 550 priority 17 and 12; 18 priority 05 and one priority 02. Pending requisitions completed during month totaled 224 of which 28 were priority 05 and 6 were priority 02.

2. Major items received during month were a MRC-36 radio on the R&R program. An M422A1 was received to replace an M422. We received 8 seismic ir intrusion detectors under a division special allowance. Due to the rotation of platoons we gained an M100 trailer which was not taken by platoon that went to Okinawa.

3. During month we had two M422's coded beyond economical repair and placed two on order. An Ontos was coded beyond economical repair due to mine damage, at FLSU #1 at Chu Lai. An Ontos from our mount out was sent to replace it.

4. Received a Criti-Pac from MCSC Barstow out of 50 Line Items it contained 37. This enabled us to have enough stocks to resume quarterlies of the Ontos.
