On 20 May 1969, Provisional Service Battalion provided 15 enlisted personnel (MOS 3041 - 3051) to BLT 2/26 to assist in an inventory of supplies and equipment in connection with the rehab.

On 22 and 23 May 1969, Provisional Service Battalion performed LFORM loading at White Beach Port of the USS CLEVELAND and the USS IWO JIMA. Working parties, Material Handling Equipment and all other logistical requirements were furnished to insure a successful operation. Loading began at 1900 hrs on 22 May 1969 and was completed at 1800 hrs on 23 May 1969. There were no significant problems encountered.

On 23 May 1969, Colonel J. F. MCMAHON and Sergeant Major PORTER, R. CAMP HANSEN, Okinawa, May 14 - The first presentation of the newly-instituted Marine of the Quarter award of the 9th Marine Amphibious Brigade (9th MAB) took place at Camp Hansen May 1. The first recipient, Sergeant Gary D. Fuchs, was presented the award by Brigadier General John E. Williams, commanding general, 9th MAB.

The award was established to recognize outstanding performance of duty and demonstration of leadership abilities by individual Marines of the rank of corporal and below. Additionally, it is intended to provide an incentive for 9th MAB Marines to achieve the highest standards of military knowledge, bearing, and professionalism.

The awardee is presented a plaque bearing the crest of the 9th MAB by the commanding general, and a letter of commendation is entered in his service record book. More important, at least to the awardee, is his being given special liberty in either Japan, the Republic of the Philippines, Taiwan, or Okinawa for four days. The Marine of the Quarter is given permissive travel orders to the liberty location of his choice

The awardee may also be meritoriously promoted to the next highest rank at the discretion of the selection board set up to choose the Marine of the Quarter. Sgt. Fuchs was given a meritorious promotion to his present rank.

The selection board evaluates all candidates appearing before it on the basis of military knowledge, accomplishments, and professionalism.

In addition to this award, Sgt. Fuchs has recently received a letter of commendation for his time and effort in training Marines in aerial delivery rigging techniques and an Air Medal for meritorious achievement in Vietnam.

Because of his rotating to the United States in two weeks, Sgt. Fuchs was not able to take advantage of the special liberty.

He is a member of the aerial delivery section, Headquarters and Service Company, Provisional Service Battalion, 9th MAB.
