Between 1640H and 1750H Battery "P" fired 2 WP and 21 HE on VC near a building at YD 568245 and 566251. There was no casualty assessment made, but rounds were reported on target. The mission was also fired for SUMMER SAIL II.

At 1725H Battery "T" fired 5 illuminating rounds at YD 315338, for orientation purposes for 2/9.

At 1740H SUMMER SAIL II spotted 15 VC or more in a treeline at YD 559250. Battery "P" fired 32 rounds of HE with a surveillance of 10 KIA (probable).

At 2140H Battery "H" expended 5 illuminating rounds at YD 406415. Elements of 2/4 reported good illumination.

At 1015H Battery "H" expended 3 WP and 24 HE rounds upon an undertermined amount of VC's at YD 367393. The FSCC of 2/9 reported good coverage on target.

At 1330H one platoon from Battery "E" displaced to La Vang, YD 343506 and reported they were laid and ready to fire.

16 May

At 0640H Battery "H" expended 60 rounds of HE firing its counter-mortar plan for training grid squares YD 3639 and 3541.

At 0625 Battery "T" fired 42 rounds of HE and 12 of WP at a VC base camp in the vicinity of YD 362365. The mission was unobserved.

At 1330H the Battalion command group displaced from the forward position and returned to the 4th Marine Regiment area, resuming technical and tactical control of the FDC at 2200H.

17 May

There were no significant missions fired during this 24 hour period.

At 1340H Battery "T" reported laid and ready to fire on azimuth 4600.

18 May

At 1000H Battery "E" departed the Battalion position for Dong Ha. Operational control of the battery reverted to its parent unit.

ENCLOSURE (1)

At the same time a platoon from Battery "H" was dispatched to La Vang to relieve the 2 guns from Battery "E" at that position. The platoon is being used in support of Company "G", 2d Battalion, 4th Marines.

At 1155 Battery "H" expended 3 WP and 8 HE, fuze VT, on a VC rice gathering party spotted at YD 565277 by elements of 2/4. The surveillance was 2 KIA (probable).

From 1420H to 1430H Battery "H" expended 24 rounds of HE on 2 VC/NVA radio transmissions reported by 4th Marines FSCC at YD 524230 and 524215.

At 1740H Battery "H" fired 18 rounds of WP and 6 of HE on 3 VC in a rice field at YD 555265. The surveillance was 2 KIA (probable).

19 May

From 0350H to 0530H Battery "H" expended 60 rounds of HE, 1 WP and 2 illumination of reinforcing fires for the ARVN. An ARVN artillery post was under heavy attack, and Battery "H" fires covered areas in grid squares 5243, 5343, and 5344. There was no surveillance on these missions.

At 0725H elements of 2/4 spotted 50 VC at YD 5325. Battery "H" fired 5 rounds of WP and 12 of HE on the target dispersing the enemy troops but additional surveillance could not be obtained.

At 0925H Elements of 2/4 reported in-coming mortar fires, and Battery "H" fired 13 HE and 1 WP in response. The mortars were silenced and later a sweep of the impact area revealed a damaged mortar base-plate.

At 0940H Battery "H" fired 1 adjusting round of WP on 11 VC in the open for elements of 2/4. Firing was checked when it was decided that the target was too close for the observer to continue the mission.

At 1145H rounds of HE were fired in the saturation of a VC escape route from YD 526244 to 566230. The surveillance was 2 KIA (probable).

At 1344H Battery "H" fired 27 rounds of HE and 2 of WP on 11-15 VC spotted at YD 577261 by elements of 2/4. The surveillance was 4 KIA (probable).

At 1845H Battery "H" expended 8 WP and 12 HE, fuzes VT on 7 VC in the open at YD 575262 spotted by elements of 2/4. Surveillance was 1 KIA (Confirmed) and 5 KIA (probable).

At 1900H Battery "H" fired on 7 more VC at YD 585262. The same FO spotted the VC and gave a surveillance of 1 KIA (confirmed) and 6 KIA (probable).

ENCLOSURE (1)

At 2032H elements of 2/4 manning a TPS-21 on Hill 51 reported a reinforced squad of VC moving at YD 542272. 12 rounds of HE, fuze VT, were fired on the target, and the movement ceased.

At 2105 the TPS-21 again detected VC on the move at YD 539275. Battery "H" fired 12 rounds of HE on the target with no surveillance.

At 2305H Batteries "H" and "P" expended 7 rounds of 105mm HE, fuzes Quick and VT and 18 rounds of 155mm HE, fuze delay on approximately 40 VC on the move at YD 543259. Surveillance on the mission was four secondary explosions.

20 May

At 1040H Battery "H" fired 2 rounds of WP and 18 of HE on VC snipers at YD 602204. Surveillance was 2 KIA (probable). The mission was fired for elements of 2/4.

At 1220H Battery "H" fired 12 rounds of HE on VC snipers firing from 597366. Firing was silenced as a result of this mission fired in support of 2/4.

At 1457H elements of 2/4 reported 25 VC in the open at YD 598286. Battery "H" expended 2 WP and 24 HE, fuze VT, on the target with a surveillance of 5 KIA (probable).

At 1840H Battery "P" expended 12 rounds of HE, fuze VT, on 5 VC in the open at YD 576266. Surveillance on this mission fired in support of 2/4 was 1 KIA (confirmed), and 3 KIA (probable).

At 2010H Battery "P" fired 13 rounds of HE, fuzes Quick and VT, on VC harassing fire at YD 575266. Good coverage of target was the surveillance on this mission fired in support of 2/4.

21 May

At 2200 (20May) and 0600H Battery "H" (forward) fired a total of 30 rounds of HE and 1 of WP on a VC company at YD 387557 and 400554 as reinforcing fires for ARVN forces. Surveillance by actual body count was 152 (confirmed), with 68 weapons captured.

At 1148H Battery "P" fired 12 rounds of 155mm ammunition at 20 VC dug in at YD 559230. There was no surveillance on this mission fired in support of Recon patrol PUNCTUATE I.

At approximately 2400H Battery "H" (forward) reported some 30 rounds of 140mm rocket fire impacting to the north and east of their position at the La Veng ARVN compound (YD 5034). No rounds landed in their position and there were no USMC casualties.

3 Daily Chronology

22 May

Operation CHOCTAW began at 0001H this date.

The 2d Provisional 155 Battery expended 2 illuminating rounds at Grid YD 531341 in support of ARVN units at Phong Dien. Rounds were fired at 0135 and 0540H.

Four WP and 16 HE rounds were fired at 3 VC in woods at Grid YD 550260 by Battery "H" at 1015H. This mission was called in by an FO from 2/4, and his surveillance was two KIA(probable).

At 1105H Battery "H" fired 8 WP and 8 HE rounds on 2 VC gathering rice at Grid YD 527275. Rounds were reported on target by an element of 2/4.

Ten WP and 4 HE rounds were expended by Battery "H" at 1200H on rice drying in a courtyard located at Grid YD 538271. This mission was fired for SACRED UNIFORM, an AO, who reported that the rice did not burn as anticipated.

At 1330H Battery "H" fired 10 HE rounds for 2/4 on unobserved VC gathering rice at Grid YD 523271.

The 2d Provisional 155 Battery fired 1 HE spotting round at 1845H for a Recon team, AMBRIDGE I. This mission was fired at Grid YD 409353, and the surveillance reported was round on target.

At 1610H the 2d Provisional 155 Battery fired 54 rounds of HE on 30 VC at Grid YD 427341 who were attacking the Recon patrol PUNCTUATE I. Surveillance on this mission was 7 KIA(confirmed) and 10 KIA(probable).

Battery "H" fired 6 rounds of WP and 24 rounds of HE, fuze VT, on 3 VC in the open at Grid YD 563278. The only surveillance on this mission was good coverage.

Between 2100 and 2130H Battery "H" expended 24 rounds of HE, fuze VT, on VC movement at Grids YD 543259, and YD 541257. Movement was detected by a TPS-21 manned by elements of 2/4 located on Hill 51. Good effect on the target was the surveillance.

At 2359H movement was again detected by the TPS-21; however, no rounds were fired due to the truce for Buddha's birthday, which began at 230001H.

ENCLOSURE (2)

23 May

Because of a truce which was established to honor the birth-date of Buddha, no missions were fired during this 24 hour period except for illumination, which was used for orientation. No H&I's were fired during this period, although many rice harvesters, presumably VC, were spotted in the free fire zone.

24 May

At 0001H all firing batteries began an H&I program.

Battery "H" fired 4 rounds of WP and 16 rounds of HE, fuzes Quick and VT on 2 VC cutting rice at Grid YD 524271. A surveillance of 1 KIA (probable) was reported by an element of 2/4.

At 1508H Battery "H", in support of a unit from 2/4, fired 28 rounds of HE, fuzes Quick and VT on 5 VC spotted at Grid YD 524271. There was no surveillance on the mission.

The 1st Provisional 155 Battery fired an unobserved mission at 2240H on a suspected VC assembly area. 14 rounds of HE were expended on the mission.

25 May

Between 0950 and 1025H Battery "H" and the 1st Provisional 155 Battery expended 48 rounds of 105mm HE and 36 rounds of 155mm HE, fuzes Quick and Delay, on a group of VC who had surrounded Recon patrol MORBID I. Grids fired were YD 484253, 488249, 494254, 474255, 476263, 546231 and 553231. The patrol was extracted, and there was no surveillance.

Between 1020 and 1056H Battery "H" fired 12 rounds of WP and 16 rounds of HE on VC snipers at YD 535257 and 530265. Surveillance reported by an element of 2/4 was good coverage of target and firing silenced.

At 1145H Battery "H", firing in support of a unit from 2/4, expended 6 rounds of WP and 12 rounds of HE, fuze VT, on VC in the open at Grid YD 579265. Good target coverage was the only surveillance.

Battery "H" fired 45 rounds of HE and 2 of WP at 1910H on VC in a treeline located at Grid YD 575264. Elements of 2/4 gave a surveillance of good target coverage.

Between 1455 and 1715H Battery "H" and the 1st Provisional 155

ENCLOSURE

Battery expended 30 rounds of 105mm HE and 2 rounds of 155mm HE on a VC sampan at YD 583265. The rounds were not on target, therefore there was no damage to the sampan.

At 1735H Battery "H" expended 72 rounds of HE on a VC assembly area at YD 551256. There was no surveillance on this mission, which was fired in support of 2/4.

26 May

The 1st Provisional 155 Battery expended 14 rounds of WP and 18 rounds of HE, fuzes Quick and VT at 1130H on VC who were firing at Recon patrol PEERAGE I at their insertion. There was no surveillance on the mission.

At 1700H the 1st Provisional 155 Battery expended 50 rounds of HE and 50 rounds of WP in preparation fires for movement of Recon patrol PEERAGE I. The rounds were unobserved.

Two rounds of WP and 8 rounds of HE, fuze VT, were fired by the 1st Provisional 155 Battery at 1948H on 3 VC in the open at Grid YD 522266. An element of 2/4 gave a surveillance of good effect on target.

27 May

At 0620H the 1st Provisional 155 Battery expended 27 rounds of HE on preparation fires for Recon patrol PEERAGE I at Grid YD 574214.

Battery "H" fired 38 rounds of HE at 0810H on 3 armed VC in the open at Grid YD 545278. There was no surveillance on this mission, which was fired in support of a unit from 2/4.

At 1620H Battery "H" expended 18 rounds of WP and 2 rounds of HE on an undetermined number of VC at Grid YD 522272. The AO, CAT KILLER, was unable to give any significant surveillance.

Twelve rounds of WP and 5 rounds of HE were expended by Battery "H" at 2110H on lights which were observed by Recon patrol MORBID II at Grid YD 481-261. Good coverage of target was reported.

At 2352H Battery "H" fired 1 round of illumination on suspected VC movement at Grid YD 558256. This mission was fired in support of an element from 2/4 who gave a surveillance of no movement observed.

28 May

At 0040H Battery "H" expended 43 rounds of HE firing a counter-mortar plan in support of the ARVN at Phong Dien. Mortars silenced was reported by the ARVN Advisor.

The 2d Provisional 155 Battery fired 9 rounds of illumination at 0050H on suspected VC movement at Grid YD 531341. There was no surveillance on this mission.

Battery "H" expended 16 rounds of HE at 0100H on suspected VC positions at Grids YD 543356, YD 545360, YD 550355 and YD 550360. No surveillance was reported on the target.

At 0107H the 2d Provisional 155 Battery expended 12 rounds of HE on reinforcing fires for ARVN forces under attack at their LUONG MAI outpost at vicinity Grid YD 5442. The rounds were fired at Grid YD 546432.

Six illumination rounds were fired by Battery "H" at 0115H for the ARVN at Phong Dien.

The 2d Provisional 155 Battery fired 12 rounds of HE at 0200H as reinforcing fires for the ARVN at Luong Mai. Grids fired were YD 537427 and YD 537440.

At 0205H the 2d Provisional 155 Battery expended 60 rounds of HE on known VC positions reported by the ARVN at Phong Dien near their outpost at Luong Mai. there was no surveillance given at that time.

ENCLOSURE(2)

The Second Provisional 155mm Howitzer Battery was called again at 0300H to provide reinforcing fires for the ARVN at Phong Diem. Ninety-three rounds of HE were expended.

The First Provisional 155mm Howitzer Battery fired 11 rounds of HE at 0530H on reinforcing fires for the ARVN at Phong Diem.

Battery "H" fired 58 rounds of HE at 1240H in support of an element of 2/4 who was receiving a heavy volume of enemy fire from grid YD 636316. The surveillance on this mission was rounds on target with 2 KIA (probable).

At 1325H Battery "H" expended 6 rounds of WP and 14 rounds of illumination in an attempt to burn a rice paddy at grid YD 552259. Elements of 2/4 who observed the mission reported that the rice did not burn.

The Second Provisional 155mm Howitzer Battery fired 1 round of WP and 13 rounds of HE at 1920H on a suspected VC campfire which was located at grid YD 428343. Excellent coverage of the target was reported by elements of 2/4.

29 May

At 0735H Battery "H" expended 4 rounds of WP and 102 rounds of HE on VC in trenches at grid YD 633327. An element of 2/4 reported that the rounds were on target.

From 0737H to 1200H Battery "H" and the Second Provisional 155mm Howitzer Battery expended 121 rounds of HE, fuzes Quick and VT, and 5 rounds of WP on preparation fires at grids 480255, 567218, 527231, 525237, 522236, 522-240, 518240, 518240, 518245, and 513248. The missions were fired for the Recon patrols, Morbid II, and Peerage I. The surveillance was rounds on target.

The Second Provisional 155mm Howitzer Battery expended 1 round of WP and 7 rounds of HE at 1215H on three VC in the open, grid YD 432374. Surveillance reported by elements of 2/4 was 3 VC KIA (probable).

At 1330H the Second Provisional Battery expended 1 round of WP and 9 rounds of HE on 7 VC in the open at grid YD 434388. The elements of 2/4 observing the mission gave end of mission and reported they lost sight of target.

At 1357H an element of 2/4 reported that helicopters were receiving enemy small arms fire at grid YD 578262. The First Provisional Battery expended 1 round of WP and 13 rounds of HE, fuze VT, all of which were reported on target and silenced the enemy small arms fires.

ENCLOSURE (2)

The Second Provisional 155mm Howitzer Battery fired 16 rounds of 155mm HE, fuzes VT, at 1435H on 5 VC located at YD 414304. Recon patrols in the area reported rounds on target, but no other surveillance could be obtained.

During the evening various defensive concentrations were fired for the forward observers of 2/4. Concentrations were also fired in for the recon : patrols operating in and around the 4th Marines TAOR.

From 2030H to 2050H the Battalion displayed its fire power capabilities in an exhibition for visiting Air Force personnel.

30 May

At 1621H Battery "H" expended 3 rounds of WP and 24 rounds of HE on 3 VC in the open at grid YD 555244. Elements of 2/4 reported 1 KIA (confirmed) and good effect on target.

Between 1655H and 1926H Battery "G" expended 25 rounds of WP and 3 rounds of HE on night defensive concentrations in support of elements of 1/4 and 2/4.

Battery "G" fired 13 rounds of HE at 2045H on three lights which were spotted on a hillside at grid YD 543234 by elements of 2/4. Surveillance reported was rounds on target.

ENCLOSURE (2)  

S-1 MATTERS1. Personnel and Administration

This battalion has maintained an operational level of approximately 92% of the authorized T/O strength during the month of May.

	<u>T/O</u>	<u>O/H</u>	<u>Percentage</u>
Officer	44	33	75%
SNCO's	32	28	87.5%
Enlisted	502	470	93.6%

This battalion joined 3 officers and 26 enlisted personnel of various ranks and MOS's while rotating 4 officers and 9 enlisted to CONUS. This battalion further had 1 enlisted KIA and 2 officer WIA and 4 enlisted WIA during the month of May 1967.

2. Morale and Discipline

The state of Morale remained at a high level consistent with the conditions under which the unit has operated. The R&R program continues to be a great morale booster, however a few problems still exist with manifesting the Marines at the R&R Center in DaNang. This battalion is still getting its quotas for R&R at the last of the month thereby not leaving much time for proper control. The supply of beer and soda was adequate. Ice for cooling beer and soda continues to be a problem and the supply is inadequate. There were no office hours or courts-martials conducted during May. No Medical Doctor nor Chaplain was assigned to the battalion for May, however Medical facilities are available at 4th Marines CP. Church services are provided by Chaplains of 4th Marine Regiment.

COMMAND CHRONOLOGY

1 June 1967

## S-4 Section

A. LOGISTICS. The overall supply situation is fair. There are 2646 requisitions outstanding. Of these 44 are priority two and 259 are priority five. During May 406 requisitions were filled giving a 15% level of requisitions filled.

B. MAINTENANCE

a. Prime Movers	<u>T/E</u>	<u>O/H</u>	<u>ON D/L</u>	<u>% D/L</u>

	54	54	16	30%

b. Of the 16 vehicles deadlined 9 are for second echelon repair and 7 for third echelon.

c. Causes contributing to equipment failure include:

(1) A requirement for continuous support of extended field operations which on occasion preclude scheduled preventive maintenance.

(2) Lack of technical knowledge on the part of OJT mechanics assigned to the motor transport section of Batteries.

(3) The fact that some Batteries are below their T/O strength of 3516's.

(4) The unavailability of second echelon repair parts, particularly IX items such as torque rods and brake shoes.

(5) The unavailability of third echelon repair parts, such as engines, transmissions and differentials necessitating long periods of deadline for vehicles sent to FLSG "A".

d. The primary reason for vehicles remaining on deadline for extended periods of time is the difficulty encountered in obtaining the necessary repair parts.

C. FOOD SERVICE. Rations served during this reporting period have been approximately 65% "A" rations, 35% "B" rations.
