PART TWO: NARRATIVE SUMMARY

Marine Aircraft Group-13 continued its support of III MAF and all other free world Armed Forces in the I Corps Tactical Zone, Laos and the Gulf of Tonkin. Operations supported were SCOTLAND II, KENTUCKY, TAYLOR COMMON, FAYETTE CANYON, VERNON LAKE, NEVADA EAGLE, VICTORY DRAGON VII, DAWSON RIVER, DEWEY CANYON, MARSHALL MOUNTAIN, BOLD MARINER, AND RUSSEL BEACH. Flying a wide variety of missions, MAG-13 aircraft provided support for the First and Third Marine Divisions, Task Force Hotel, U. S. Army, Republic of Korea Marines, ARVN Forces, Task Force 77, and the 7th Air Force.

MAG-13's Air-to-Ground effort of 1495 sorties resulted in 158 bunkers destroyed, 245 structures destroyed, 705 meters of trenchline destroyed, 17 confirmed KBA, 4 sampans and an assortment of gun positions, automatic weapons sites, mortar positions, and 1 water buffalo destroyed.

MAG-13 Phantoms logged 107 Fighter sorties over the waters off North Vietnam as a Barrier Cap in support of air operations in the Gulf of Tonkin. During the same period 16 MIG CAP and 4 Fighter Escort sorties were provided for B-52 Arc Light missions. There were no engagements with enemy aircraft.

The first Marine F-4J squadron in WestPac, VMFA-334, commanded by LtCol. J. E. SHERMAN, joined MAG-13 from MAG-11 on 24 January 1969. The transfer went smoothly and VMFA-334 continued to conduct combat operations throughout the transition period.

MAG-13 lost one aircraft as a result of enemy action during January. The pilot was rescued and suffered injuries requiring MEDEVAC out of country. The RIO was killed by the enemy before rescue could be accomplished.

VMFA-334, "The BLACK KNIGHTS" commanded by LtCol. F. E. PETERSEN, was presented the CNO Aviation Safety Award for FY-68 by General L. F. CHAPMAN, CMC, on 12 January 1969.

The gift was in appreciation for efforts, to date, in his hamlet. The Civic Action Office was relocated and is operating as a separate function from Industrial Relations. Monthly scholarship payments were made in the hamlets of Long Phu I, II and Chu Lai New Life. One girl was med-evacuated to Tam Ky Province Hospital due to blindness in one eye. Consultation was given and referred to Da Nang. An operation restored partial vision and assured vision in the other eye.

b. 8 Jan: Three new MAC-13 Civic Action Projects were brought to Ly Tin District Headquarters for approval. The projects are a temple in Long Phu I, a hamlet headquarters building, and an additional two-room school building in Chu Lai New Life Hamlet.

c. 10-11 Jan: A Vietnamese child from Long Phu I was given consultation at the MAC-13 An Tan Dispensary for a hare-lip condition. Approval for corrective surgery was given by 312th Evacuation Hospital and a successful operation was performed.

d. 15 Jan: The Civic Action Officer escorted two Vietnamese representatives from the Chu Lai area to Da Nang to observe recent agricultural developments being conducted on an experimental basis by Vietnamese farmers. Ideas were brought back for improvements in local farming areas along with seeds for several vegetables not available in this area. A small farm has been set up to determine how these crops will grow in the local climate and soil conditions. If development is properly conducted, the local agricultural economy could be substantially bolstered.

e. 18-25 Jan: MAG-13 and MAG-12 were the recipients of awards at a ceremony given by the Province Education Superintendent. The awards were given for efforts in assisting the Ly Tin District Schools. The Civic Action Officer attended the Wing Civic Action Meeting. Civic Action emphasis is on more self-help and less give-a-way projects. Also objectives are geared to involve and utilize the local political system in all activities and try to show the people that their government can work for them.

f. 26-31 Jan: A meeting was held with the Long Phu I hamlet chief to discuss future plans of his hamlet. A buddist Temple is planned to be constructed in Long Phu I. MEDCAP Activities in Long Phu I and II have been revised and results have been more beneficial to the people this month.
